

## THE WISCONSIN ROAD TEAM

### Sharing Wisconsin's Roads

In years' past, your financial support of the **Wisconsin Road Team** has helped promote highway safety and improve the image of the Wisconsin trucking industry. The Wisconsin Motor Carriers Association created the Wisconsin Motor Carriers Foundation to help support educational projects such as the Wisconsin Road Team.

We hope you will continue your generous support this year, and if you wish, you may choose to be invoiced on an annual basis keeping your sponsorship current each year. Thank you very much!
