

# WISCONSIN TRUCK TECHNICIAN COMPETITION

Waukesha County Technical College – (WCTC)

June 2-3, 2017

The Wisconsin Truck Driving Championship will be held on June 2-3, 2017 at WCTC. And for the first time ever, we will also be hosting the Wisconsin Truck Technician Competition (TruckTech) at WCTC on the same dates of June 2-3, 2017.

The event will begin for the TruckTech competitors at 4:00pm on Friday, June 2 with registration and the written test at 5:00pm. Technician competitors will have educational sessions after the test and will end the day with a walk-through of the stations. There will be 9 stations this year, not including the written test.

Station competitions will begin at 7:30am on Saturday, June 3. The competition schedule will depend greatly on how many technicians are registered to compete. (Judges and station chairs will arrive at 6:15am on Saturday.) Technicians should expect to get dirty during Saturday's competition and come prepared with proper attire (safety glasses, steel toed boots, work gloves, etc).

On Saturday evening, everyone will gather for a reception at 6:30pm and Awards Banquet at 7:30pm. All information on the competition times is subject to change based on the size of the group. However, we will do our best to keep everyone informed via email should any change be made. It is important that each contestant, judge, volunteer and company contact person provide an email address.

Registration information will be available on the website. This information can be found at:

<http://witruck.org/events/wisconsin-truck-tech-competition/>

We're also looking for additional sponsors and volunteers to help showcase some of the great technicians we have in the state of Wisconsin. Please see our website for additional information.
