

## Vehicle Maintenance Seminar

February 15, 2018

8:30 a.m. - 4:15 p.m.

Birchwood Transport - 3111 152nd Ave - Kenosha, WI

### What you will learn:

This seminar will help keep you in compliance with the Federal Motor Carrier Safety Administration (FMCSA) maintenance, inspection, and repair regulations, and the Commercial Vehicle Safety Alliance (CVSA) out-of-service criteria. The seminar will include:

#### Here are a few topics that will be discussed:

- Review of Part 393, Parts and accessories necessary for safe operations

- Review of Part 396, Inspection, repair, and maintenance

- Driver inspection and DVIR requirements

- Qualification of maintenance personnel

- Review of CVSA out-of-service criteria

- CSA Basic Scores and the ISS

- FMCSA audit procedures related to maintenance

- Best practices designed to assist in compliance with the regulations

### Presenter:

**Tom Bray** - *J.J. Keller & Associates, Inc.*

Tom Bray of J. J. Keller & Associates, Inc. will be your instructor. With over 30 years of experience in the transportation industry, Tom started as a driver and operated in all 48 states and Canada. Since transitioning into fleet safety, Tom has worked as an instructor, recruiter, safety supervisor, claims manager, and safety director. Tom joined J. J. Keller in 2005.

### Cost:

**WMCA Members** - \$135

**Non-Members** - \$175
