STRENGTH IN NUMBERS

WISCONSIN

MOTOR CARRIERS ASSOCIATION

"Being a member amplifies our voice with legislative & regulatory agencies. Our Industry concerns are kept at the forefront of these groups by WMCA. In addition, WMCA keeps us connected to others in Wisconsin's trucking industry."

*Rick Roehl, CEO & Board Chairman
Roehl Transport*

"Karl's Transport is a member because of the regulatory support we receive from the association, as well as their work communicating and supporting vital state and federal trucking regulations."

*Tim Kordula, Driver Manager
Karl's Transport*

"As a 32-year member, we understand the importance of being active in an association that truly represents the industry. WMCA gives us a voice & allows us to share our opinions with competing interests on trucking issues."

*Jon Coca, President
Diamond Transportation System, Inc.*

"WMCA offers unparalleled networking opportunities. My participation over the years has allowed me to work with executives from all facets of our industry, which has helped me become a better advocate for the trucking industry."

*Dave Batterman, Vice President
North Central Utility*
