**New Business is as follows:**

**2021 Seminars/Locations Topics**

April's webinar is "2021 Roadcheck: Know before you go" on April 15, 2021 at 10:00. It is presented by Instructional Technologies and the Wisconsin State Patrol.

May's seminar/webinar has not been decided on.

**WTDC Update**

The WTDC is rescheduled for May 20<sup>th</sup> and 21<sup>st</sup>, 2022. All deposited were secured and transferred to the 2022 WTDC. The only question is if the ATA will let us use the drivers' handbooks purchased for 2020.

### **PSDC/Safety Banquet Updates**

The first luncheon is on Saturday, March 27, 2021 at the Tundra in Green Bay, WI. There is around 100 people signed up for it. The second luncheon is on Saturday April 17, 2021 at the Wilderness Resort in Wisconsin Dells. There is around 90 people signed up for it. Need to finish up on some final details for the Safety Banquet. There will also be a special memorial for one of the drivers of the month that has recently passed away. A special Thank you to Kim and Vanessa for all their hard work.

### **Kim's Report**

We are looking for topics for the upcoming seminars/webinars.

There have been some questions on the fleet safety contest rules. The rules can be adjusted if need be next year.

### **Other Business**

No other business.
